# Capital Creates Change

We need to do whatever it takes to get the economy moving again, not just to get it back to normal, but also to create a positive change.

For more on this and other topics, visit [www.morganstanley.com](http://www.morganstanley.com).

## Crowds Catch Final Glimpses of the Pope as U.S. Visit Draws to a Close

Pope Francis greeted throngs of faithful on his way to an airport Mass in Philadelphia on Sunday. On the final day of a working visit to the United States, he met with a group of young people, signing autographs and waving from the papal motorcade.

## INVESTORS PRIZE FACE TIME WITH BOSSES

Brokers, analysts arrange special access to top executives for clients. The investment industry is going all out to give investors a closer look at the people running the companies they're investing in. From one-on-one meetings with CEOs to exclusive dinners, the industry is trying to make sure investors get the most out of their investments.

## GOP Discontent Isn't Easing Up

Discontent with the GOP is still high, and it's not clear if it will ease up. Many voters are still unhappy with the party's performance, and it's not clear if the party will be able to win back the support it needs to succeed in the upcoming elections.

## Junk Bond Downturn Threatens M&A Boom

The junk bond market is facing a downturn, which could threaten the M&A boom. Many companies are relying on junk bonds to finance their acquisitions, and a downturn in the market could make it more difficult for them to do so.

## Soviet Impersonators Battle to Move From Proletariat to Bourgeoisie

Moscow's Bolshevik look-alikes fight for tourist dollars. 'Drunk Lenin' is a new phenomenon in Moscow, where people are dressing up as Lenin and other Soviet leaders to attract tourists.
